This matter was reopened to the New Jersey State Board of Medical Examiners (hereinafter the "Board") upon learning that a Consent Order of Surrender of License to be Deemed a Revocation ("Surrender Order") consented to and signed by Angel R. Lobo, M.D. ("Respondent") on or about May 20, 2005 inadvertently was not filed by the Board in due course.

As recited in more detail in the Surrender Order, a copy of which is attached hereto, following his indictment, inter alia, on charges of health care claims fraud, Respondent executed a Consent

CERTIFIED TRUE COPY

Order of Temporary Surrender of License on or about February 1, 2002. Said temporary surrender continues to the present.

Respondent subsequently pled guilty to and was convicted of health care claims fraud. A requirement of his guilty plea was that he forfeit his medical license and be forever barred from the practice of medicine in this State. By Order of the Honorable Miguel A. de la Carrera, J.S.C. dated March 8, 2005, Respondent's license to practice medicine in this State was forfeited and he was forever barred from the practice of medicine in this State pursuant to N.J.S.A. 2C:51-5(a)(1).

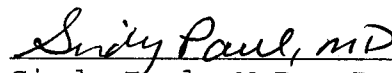

Following his guilty plea and conviction, Respondent agreed to and did execute the attached Surrender Order, agreeing to surrender his New Jersey medical license to be deemed a revocation with prejudice to any reapplication for licensure. It appears that a paperwork processing error inadvertently resulted in the Surrender Order, bearing then-Board President Robins's name, not being filed by the Board. The Board now seeks to rectify this paperwork oversight and file the attached Surrender Order as executed by Respondent and his counsel.

The Board finding the within disposition adequately protective of the public health, safety, and welfare, and other good cause having been shown,

IT IS, therefore, on this 13th day of December, 2006,
ORDERED THAT:

1. The State Board of Medical Examiners shall file the attached Consent Order of Surrender of License to be Deemed a Revocation executed by Dr. Lobo. Said Order shall be filed nunc pro tunc May 20, 2005, the date when Dr. Lobo, through counsel, returned the executed Order to the Attorney General.

REVOCATION

This matter was opened to the State Board of Medical Examiners ("Board"); upon receipt of information that Respondent, Angel R. Lobo, M.D., (hereinafter "Respondent") had been indicted by a State Grand Jury on or about October 30, 2001 under Superior Court Docket No. 01-10-00106-S. That indictment charged respondent, *inter alia*, with various criminal counts, including Health Care Claims Fraud in the Second Degree.

On or about February 1, 2002, respondent executed a Consent Order of Temporary Surrender of License pending resolution of the criminal matter. Respondent pled guilty to and was convicted of Count 2 of Indictment No. 01-10-00106-S, charging Health Care Claims Fraud (Second Degree), contrary to N.J.S.A. 2C:21-4.3(a).

As a result of that plea and conviction, respondent was required to forfeit his medical license and to be forever barred from the practice of medicine in the State of New Jersey pursuant to an Order of the Superior Court of New Jersey, Law Division-Criminal Part, County of Passaic entered on March 8, 2005.

Respondent has now agreed to execute a surrender of his license to practice medicine and surgery in the State of New Jersey, to be deemed a revocation of license, with no reapplication for licensure, in order to resolve all matters before the Board. The Board finding the within disposition to be protective of the public health, safety and welfare,

IT IS, THEREFORE, ON THIS , DAY OF , 2005,

ORDERED THAT:

1. Respondent, Angel R. Lobo, M.D., is hereby granted leave and shall immediately surrender his license to practice medicine and surgery in the State of New Jersey, to be deemed a revocation of license with prejudice to any reapplication for licensure.

5. Respondent shall immediately advise the DEA of this Order.
